

FANCONI ANEMIA TISSUE AND CELL REPOSITORY

USAGE AGREEMENT

The recipient acknowledges that the conditions for use of this research material are governed by the Rockefeller University Institutional Review Board (RU-IRB) in accordance with Department of Health and Human Services regulations at 45 CFR 46. The recipient agrees to comply fully with all such conditions and to report promptly to the Fanconi Anemia Tissue and Cell Repository Principal Investigator any proposed changes in the recipient's research project and any unanticipated problems involving risks to subjects or others. The recipient remains subject to applicable State or local laws or regulations and Rockefeller University policies that provide additional protections for human subjects.

The research material provided to the recipient may be utilized only in accordance with the conditions stipulated in this Usage Agreement, as approved by the RU-IRB, as follows:

- The recipient will receive no information that could identify the subject.
- If the recipient requests identifying information, the personnel of the Fanconi Anemia Tissue and Cell Repository will not provide it.
- The recipient may not contact individuals who are collecting the material to obtain any identifying information.
- All material is identified by a code number that is assigned by the Fanconi Anemia Tissue and Cell Repository for tracking purposes.
- Subject information will be kept confidential in password-protected computer files in a secure, non-public area and can only be accessed by Fanconi Anemia Tissue and Cell Repository personnel.
- In addition to the research material itself, at the recipient's request, the Fanconi Anemia Tissue and Cell Repository may provide the recipient with the following information about the subject/material:
 - Age
 - Sex
 - Diagnosis

Any use of this material beyond the terms of this agreement requires prior review and approval by the RU-IRB and, where appropriate, by an IRB at the recipient site, which must be convened under an application Office of Human Research Protections approved Federalwide Assurance.

January 21, 2015

If the recipient's use of this material is within the above guidelines and conditions, RUIRB review of the recipient's research project is not required.
